MEN OF HONOUR AWARD INFORMATION

Men of Honour is an initiative of Digicel Foundation aimed at creating a network of men around the country who can collectively advocate against violence and shine the light on positive behavior for affirmative action. Men of Honour are those who act in meaningful ways to foster peace, encourage healthy relationships and create positive opportunities for social change. They strengthen their families, communities, and workplaces. Men of Honour respect the humanity of vulnerable children, women and the socially marginalized. Men of Honour may be well known, or they may be quiet workers and volunteers. They are found in villages and towns, in families, communities, government, the private sector and civil society organizations.

“Men of Honour build stable and happy homes, communities and in turn a strong nation.”

The Annual Men of Honour Awards is the flagship event for the Men of Honour Campaign. One Award will be given to one man from each region in PNG who is doing work to build peace in their community and alleviate human suffering. These are ordinary men who are displaying extra ordinary courage to turn the tide against violence. The Awards will be given on the 10th of December 2021 to commemorate International Human Rights Day!

The key criteria for the nominations include:

1. Men who are actively involved in the area of peace building for more than 3 years (e.g. Village Court official, leading an NGO, a teacher, pastor, business man etc.);
2. The Nomination must clearly articulate how the man has taken concrete tasks to address violence and why he is deserving of recognition;
3. The stories must be able to be verified by someone of good standing in the community;

Awards will be given to men from each of the four regions:

- Men of Honour - Southern Region
- Men of Honour - Momase Region
- Men of Honour - Highlands Region
- Men of Honour - Islands Region
